

SPRING LOADED TOUCH KNIFE A24

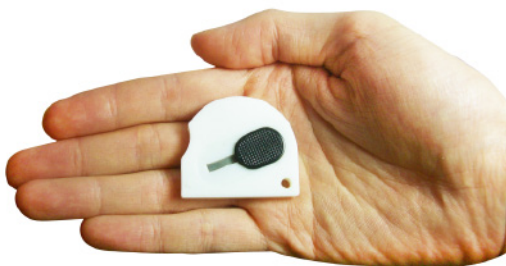

Code: A24

The touch knife is pocket-size, multi-purpose knife that features a stainless steel blade, large blade slide and hanging hole to easily slide onto your keychain. The touch knife features a spring loaded blade side lock for safety and ease of use. The touch knife is small enough to fit in your pocket, purse, desk or glove compartment but strong enough to cut through thick cardboard. Can be used for a number of purposes: arts, graphics, crafts, hobby office and warehouse.

A24 Spring Loaded Touch Knife
