

# HEAVY DUTY PARROT KNIFE A31

A31 Heavy Duty Parrot Knife is one of the best solution for opening all types of packaging foil, wrap, shrink wraps and cardboard boxes. The concealed blade design allows the blade cannot come close to you or your goods, reducing the risk of having unerase injuries. The ergonomically shaped handle helps you to work quickly and effectively. The knife also includes a handy small metal slitter located at the head of the tools for cutting adhesive tapes.

## A31 Heavy Duty Parrot Knife

- No exposed blades in workplace
- Ergonomic handle design with non-slip rubber grip to prevent hand and wrist fatigue
- Easy to operate and helps reduce injuries
- Includes metal slitter for cutting adhesive tapes
- Suitable for left and right hand users

**LIMITED BLADE EXPOSURE**

Helps reduce injury risk

**Cutting Strapping:**  
For optimum results: cutting on  
45° angle

## BLADE CHANGING INSTRUCTIONS:

**STEP 1** Hold the cutter with the screw facing you

**STEP 2** Unscrew the screw with a screwdriver

**STEP 3** Pull the back part off, to expose the blade

**STEP 4** Carefully pull the blade all the way out

**STEP 5** Rotate the blade before reloading or use a fresh blade.

**STEP 6** Clip the back on. Tighten the screw back on with a screwdriver

**STEP 7** Keep knife at 45 degree angle for easier and safe cutting
