

HEAVY DUTY METAL FILM SLITTER A45

LIMITED BLADE EXPOSURE

Helps reduce injury risk

Code: A45

A45 Heavy Duty Metal Film slitter features durable solid metal construction with soft rubber grip for heavy duty uses. The point at the end of the beak is designed to make the first cut and the twin blades reduce the resistance when cutting. Ergonomic handle design with soft rubber grip design for long hours of cutting and prevent hand and wrist fatigue. Ideal for cutting sacks, bags, strapping, shrink wrap pallets, leather, fabric, plastic sheeting and various other cutting requirements.
