

## KNEE PADS C35L

**Introducing the Diplomat C35L Knee Pads.** These durable non marking leather knee pads are ideal for any application and feature launderable fabric, internal neoprene for enhanced comfort and a hard wearing leather outer shield.

The Diplomat C35L knee pads help to protect your knees from injuries and inflammation caused by hard or uneven surfaces. Built from nylon fabric featuring an enhanced inner EVA padding the C35L knee pads are further characterised by an easy to use/adjustable velcro strap. Suitable for any application these knee pads are designed to rejuvenate your knees so you can work longer and more comfortably.
