

SLICE STAINLESS STEEL SCISSORS

SLICE-SCIS

High Quality
Stainless Steel

Sharp, powerful blades crafted from Japanese stainless steel in a unique lay-flat design make this pair of scissors worthy of it's own pedestal. The hand-polished finger-grips are incredibly comfortable for both lefties and righties. Its curvy shape resembles a metal sculpture and in conjunction with its unique lay-flat silhouette make this pair of scissors worthy of it's own pedestal.
