- Retail

How it works

1. Squeeze action handle to extend blade

2. Begin cutting while still squeezing down the action handle

3. Blade automatically retracts after cutting without releasing squeeze handle

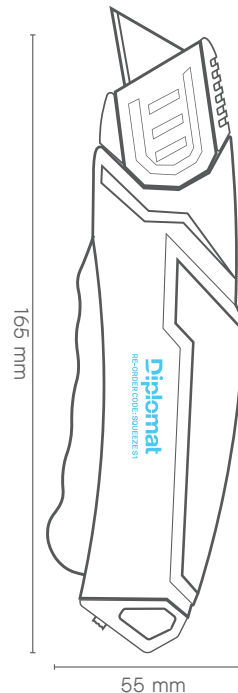

Diplomat

Smart Retract Metal Safety Knife

Heavy Duty with Squeeze Action Trigger

SQUEEZE S1

Blade automatically retracts after cutting even when holding squeeze trigger

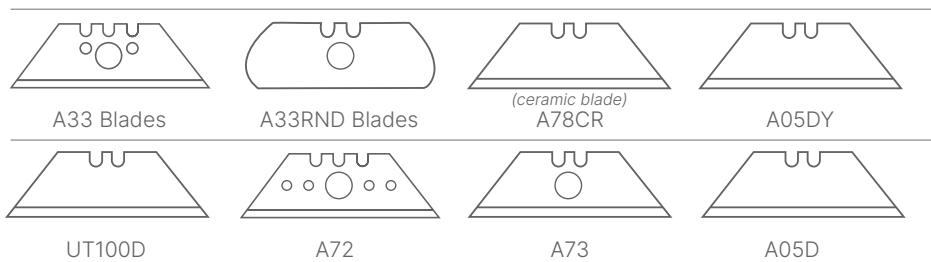

Holster Pack with Lanyard - Sold Separately
SQUEEZE S1-H

The Diplomat SQUEEZE S1 Metal Smart Retract Safety Knife puts safety first with a dual action auto-retractable blade that reduces the chance of injury. The metal body makes it more durable and ready for heavy-duty work but still light and comfortable to hold.

Features & Benefits

- Heavy duty
- Comfortable squeeze action trigger handle preventing hand fatigue
- Blade automatically retracts after cutting without releasing the squeeze action trigger
- High quality, lightweight metal housing with comfortable rubber grip
- Blade lock button to prevent action handle and blade from moving and accidentally protruding
- Suitable for left and right hand use
- Easy to change blade, no tools required
- Lanyard hole for easy access

Replacement Blades

Instructions for changing blades

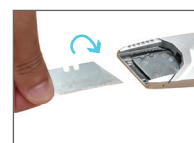

1. Switch blade lock on for extra safety

2. Remove front cap to show blade

3. Switch the blade lock off and squeeze the trigger to extend the blade

4. Remove and rotate the blade if needed or replace with new blade

5. Carefully place the blade into position

6. Release the squeeze trigger and carefully place the front cap to start cutting
