

NSR 4041

NEEDLESTICK

HexArmor® sets the industry standard for needle protection with innovative solutions for a variety of applications. The NSR 4041 is the only mechanic's style glove to have both cut and needle resistance, giving end users a performance advantage to keep them safer on the job. HexArmor® needle protective products utilise high performance SuperFabric® technology engineered to provide the highest levels of needle and cut protection available on the market.

Don't get stuck with faulty hand protection - use HexArmor®

FEATURES:

- Highest needlestick-resistance available provided by the layering of SuperFabric® brand material
- Tested using actual 25 gauge needles (modified ASTM 1342-05 test)
- Highest level of cut-resistance in enhanced areas- Exceeds ISEA/ CE Level 5
- Improved fit and feel from memory span liner and form fitting
- Added back of hand knuckle padding for incidental bumps/impact
- New larger silicon pattern for better grip
- Launderable
