

Klever Cutter Plus

Safety Concealed Cutter
Dual Sided Curved Fixed Head

Features

Recessed curved blades reduces cut injuries

Dual sided curved fixed head
Double performance

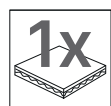

The **KLEVER KUTTER PLUS** is an advanced safety cutter designed to efficiently and safely cut a variety of materials. The KLEVER KUTTER PLUS introduces new and improved functionalities with its redesigned curved blade that provides a larger cutting surface, resulting in smoother, easier cuts and less material bunching. Klevers innovative recessed blades design eliminates any potential workplace injuries as well as removing the possibility for stock damage. The KLEVER KUTTER PLUS is ideal for cutting cardboard, strapping, and plastic film. It is disposable, recyclable, and features a convenient eyelet for attaching a lanyard.

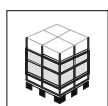

Features & Benefits

- Highest Safety Level - Recessed blade reduces cut injuries and damaged goods
- Curved durable high quality carbon steel blade for more versatility and easier, cleaner cuts
- Dual blades for double the usage
- Less pull force reduces hand and arm fatigue
